

BASE ACCESS INFORMATION FORM

In accordance with the new security policies put forth by the Department of Defense, we are required to submit information on all adults entering the base. Please fill out this form and we will pick it up from you on the day of your class' pre-assessment. The information will not be shared with any other party and it will be destroyed after your pass is issued. **THIS FORM IS NOT YOUR PASS!** We will send this form to Security Forces and they will send us your pass which we will email to you. Please **print out the pass that is emailed to you and bring it with you every day along with your school ID.** (We suggest placing the printed pass in a folder or page protector to prevent creasing which can cause scanning problems and delays at the gate.)

Without the emailed pass, *you will not be allowed* to enter Barksdale Air Force Base and the bus will be turned around at the gate.

Thank you for your understanding. We look forward to seeing you at STARBASE!

Please print clearly and legibly

- School Name: _____
- Legal Name: _____
First MI Last
- Driver's License #: _____
